

VICTORY BEYOND THE CUP™

BEYOND THE CUP, THERE'S A KINGDOM TO BUILD.

From June 11 to July 19, 2026, billions of people around the world will come together to watch the world's largest sporting event.

We believe this tournament is an exciting opportunity to leverage this global moment to meet people where they're at.

As the world turns its eyes to the tournament and you open the doors to your home, we believe that God is opening people's hearts.
